

Technical datasheet IPS Industry TGP 2" BlueLine

Order code: **IPSINDTGPG2BL**

EAN: **8588006413519**

Technical specifications

Dimensions	
Connection	2" (female)
Length	620 mm
Main parameters	
Weight	5 kg
Max. pressure	1 Mpa / 10 bar
Max. flow rate	12m ³ /hour

Connection diagram

Legend	
A	Installation into the main water supply pipe of building (e.g. flat)
B	Installation into the water supply system with water heater without circulation of hot water (e.g. family house)
C	Installation into the water supply system with water heater and circulation of hot water (e.g. flat house)
1	Water meter
2	Stop valve
3	Mechanical water filter
4	IPS Industry TGP
5	Deslugger
6	Circulation water pump

Warning: Follow right FLOW DIRECTION !

Pressure drop

Q [m3/h]	0	1	2	3	4	5	6	7	8	9	10	11	12	13
